

# 6" LED Retrofit Downlights

While supplies last!

## All-in-One Retrofit Solution

In anticipation of our downlight relaunch, we are pleased to offer a temporary price reduction, while supplies last, on retrofit models that will be phased out upon depletion of stock.

Take advantage today!

Compatible with industry housings:  
Halo®, AllPro®, Juno®, Capri®,  
Lithonia®, Thomas® & Prescolite®

### KEY FEATURES:

- Select from PDL6K (downlight) or PDL6KADJ (eyeball) options
- Up to 800 lumens
- 80 CRI
- 2700K, 3000K & 4000K
- 120V with standard Triac dimming down to 10%
- Ships with Edison base adaptor
- ETL listed to work with LSI Housings (LRD6 & LRD6R)
- Wet location listed to work in showers and outdoor covered patios

Halo®, AllPro®, Juno®, Capri®, Lithonia®, Thomas® and Prescolite® are registered trademarks of their respective companies.

**PDL6K**
