

It's a Numbers Game... and LSI is the Winner!

LSI has sold **2.5 Million** LED Fixtures Worldwide

LSI has sold to over **1,000** LED Dealerships to Date

LSI has **more** Automotive Brand Endorsements than any other Manufacturer

LSI has designed **more** fixtures specifically for the Automotive Market than any other Lighting Manufacturer

"After review of many products and systems we selected LSI. Their vertical integration gave us one vendor who incorporated both the lighting fixtures and the wireless control systems. This LED lighting system from LSI has given us energy savings, enhanced security and greater light output. It has enhanced the customer experience for the Wolfe Automotive Group"

Jeff Wolfe, Owner Wolfe Automotive Group
