

# LSI Proudly Assembles in the United States

LSI ORIGIN™ Brand Downlight Facility: Los Angeles

Ever since LSI Industries was founded in 1976, the company has proudly assembled lighting fixtures in the U.S.A. LSI continues this tradition with its ORIGIN™ Brand LED Downlights. LSI's noteworthy luminaire performance and value are both made possible via quality U.S. standards and techniques. However, LSI's ongoing success is truly attributable to its dedicated, hard-working and knowledgeable employees. Their passion for meeting and exceeding customers' needs has paved the way for LSI Industries as a true leader in the rapidly expanding and evolving lighting industry.
